Selection of Folk Troupes

This is in continuation to our earlier notification which was published in Greater Kashmir newspaper in Kashmir Division on 05/09/2014 for selection of folk troupes. Due to poor response because of the devastating floods in Kashmir region the date for Kashmir region is being extended up to 31st October 2014. The interested parties can also check the notification on our website i.e., (www.jksacs.org). Those parties who have already submitted their proposals in response to the earlier notification need not apply again.
